To whom it may concern,

BY: _____

For my account (act#280430487087), the defendant (Merchants Association Collection) did not respond to my request for a verification investigation of my debt made early this year per the FCRA and FDCPA. They continued to collect on my debt. The Defendant is responsible for \$500 + statutory damages per the FCRA and FDCPA. In addition they Defendant continued to call me multiple times on my work and cell phone which is a direct violation of the TCPA for robo calling. Defendant is responsible for statutory damages for each call made.

Sincerely,

Edward Hurtwitz
